

Helena Romanes School – Autumn Term Clubs & Enrichment September 2026

Dear parents and carers,

At Helena Romanes School, we believe that school is more than lessons — it is a place where students discover passions, build confidence, and become part of something bigger. This term, we are proud to offer a wide range of **free** clubs and enrichment opportunities designed to help every child thrive.

Our aim is simple: **for every student to take part in at least one club**. Your encouragement at home makes a huge difference, and we hope you will join us in challenging your child to get involved.

Our Club Programme

This term, we offer four strands of clubs:

- Sport
- Arts
- Revision (Year 10 + 11)
- Enrichment

Autumn Term Clubs

- Y11 Football (after school)
- Y11 History Revision (after school)
- Y11 Study Skills (after school)

Voluntary Contribution

All of our clubs are offered free to students. To help us keep these activities high quality and accessible to all, we invite parents and carers to make a voluntary contribution via ParentPay. Last year, a large number of families helped us raise £1,000, which went directly toward new equipment, workshop materials, and transport for school teams. If every family contributed just £5 or £10 this year, the impact on our students' daily school experience would be extraordinary.

How to support: Log into ParentPay from Friday 11th September and select *Extracurricular voluntary contribution*. Every penny goes directly back into enriching your child's time at school.

A Final Message

Please take a moment to talk with your child about which club they would like to join. Some clubs may allow parents to sign their child up directly — we will share further details soon.

We look forward to seeing our school buzzing with activity, creativity, teamwork, and ambition.

Your School. Your Time. Make It Count.

Best wishes,

Mr Dilley

Assistant Headteacher

Helena Romanes School
